Discussion: Consider: What is it? What is your interpretation rationale? How does this context relate to surrounding contexts? Have there been post-depositional processes? Are there special characteristics of this context? How was this context formed? What do you think is the origin of this context?

We never excavated C202 because the machine destroyed a big part of it so we created C230, because it was the only part that was left at the NE side of the trench.
