Discussion: Consider: What is it? What is your interpretation rationale? How does this context relate to surrounding contexts? Have there been post-depositional processes? Are there special characteristics of this context? How was this context formed? What do you think is the origin of this context?

These two stones were lying on the wet left and right of the head, lying on the soil and maybe over a layer of organic material (635).
 Their location and orientation W-E show that they have been put intentionally in the burial.
